

VIDEO - Circle / Square: On your whiteboards.
 What do you notice? What do you wonder?

I notice...	I wonder...

Remember to use math words!

Sep 5-8:55 AM

Would you rather...?**Predict -**

① Which mural in our classroom would you rather repaint?

② Now, think about which mural would take...

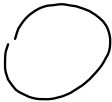

a) the **most** paint to paint a new mural?

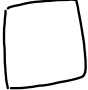

b) the **least** paint to paint a new mural?

Discussion:

1. Canadian Flag
2. Mural with periodic table interrupting the mural...

Sep 5-8:55 AM

 $A = 3.14 \times r \times r$
 $A = \pi r^2$

 $A = l \times w$
 $A = b \times h$
